## Good People in Sonoma

Justice of the Peace Joe B. Small was a visitor in Santa Rosa Saturday from the historic town of Sonoma. Among other things Judge Small reported that his court was a dull place during the month of March, not a single criminal case appearing on his calendar for the month. "We are good people over our way," said the well known magistrate, "and the past month's record indicates this. And otherwise everything is alright."—Press Democrat.

## Epileptics' Cottage Opened

The boy's cottage for epileptics at the Sonoma State Home at Eldridge was opened and occupied last week for the first time, and it is hoped ere long to open the girls' home.

Plasterers are at work on the interior of the big administration building at the Home and when completed the offices will be moved in these without delay.

There are 749 inmates at the State Home, and there is still a big waiting list.

## New Route April 15

The officials of the Northwestern Pacific announced this week that they will increase the ferry service to Sausalito on or about April 15th, at which time the Corte Madera cut-off is expected to be completed and the ferry boats are undergoing repairs will be ready for service.

The present schedule provides for a boat every forty minutes. At the present time the service to Tiburon will be curtailed as previously announced, but just what schedule will be provided for that landing has not been decided upon.

## Conservation in California

Conservation of the natural resources of the country is attracting the attention of students of political economy all over the nation, and following the suggestions of President Roosevelt to the Governors of the various states, whom he called into conference, there has been considerable agitation on the matter. The Eleventh semi-annual meeting of the Counties Committee of The California Promotion Committee, which is to be held in Hotel Del Monte, Monterey, Saturday, May eighth, next, will be devoted to the subject of "Conservation in California." This will be the first state meeting to be held which has for its object the conservation of the resources of the State.

## WHEN GRANDPA WAS A BOY

No auto cars went whizzing by  
When grandpa was a boy;  
No aeroplanes sailed in the sky  
When grandpa was a boy;  
The people did not live in flats,  
There were no merry widow hats  
And babies were not joining frats  
When grandpa was a boy.  
They had to log skids on the stage  
When grandpa was a boy;  
Bridge whist had not become the rage  
When grandpa was a boy;  
They fished no message through space,  
The lady was not in disgrace  
To say she should be thus or so,  
No Aldrich to say y-s or no,  
When grandpa was a boy.  
Valists were not buttoned down behind  
When grandpa was a boy;  
No meat trust soaked it to naunkind  
When grandpa was a boy;  
The country then had no "Glebe Joe"  
To say the ge should be thus or so,  
No Aldrich to say y-s or no,  
When grandpa was a boy.  
There were no shrieking suffragettes  
When grandpa was a boy;  
The ladies pulled no cigarettes  
When grandpa was a boy;  
When grandpa was a boy;  
When married women ran away  
With married men they did not claim  
To be amitties nor prey,  
Therefore to be absolved from blame,  
When grandpa was a boy.

## A Meeting of the Stars

Tuesday evening of this week Valley of the Moon Chapter, O. E. S., met in regular session in the I. O. O. F. Hall. About 35 members were present and a number of visitors from Sebastopol and Sacramento honored the Chapter with their presence, amongst those were Mrs. Lydia Hunt, District Deputy Grand Matron, who attended for the purpose of instructing the lodge in the work of the order. Mrs. Hunt complimented the officers for the efficient way in which they did the work, correcting only minor details from time to time, and in response to an address of welcome said she would deem it a pleasure to attend whenever possible.

Rev. Hamilton, of Sebastopol, was also present and made quite an address, showing the many benefits of the order and the close feeling of fellowship and good will of all members.

Other visitors responded to the call of the chair—one and all expressed their pleasure in being present and their desire to attend again.

Finally a banquet was served and showed the committee who had in charge were professionals in their line—serving only choice bits. The design in flowers were very prettily arranged, and everything showed much care and thought and no small amount of hard labor to carry off a banquet for so large a crowd.

Taking things all in all the whole assembly seemed to enjoy them selves immensely and was one of the best times the Stars have had in many a day.

## Luncheon Meetings

Through the commercial organization of California, The California Promotion Committee has extended to their membership and to the businessmen of California generally a cordial "standing invitation" to attend the informal "Dutch Treat" (\$1.00) luncheon meetings of the reception committee, which are held every Friday at the Fairmont hotel, San Francisco, at 12:15. All that the committee asks is that the secretary be notified by telephone at headquarters on Friday morning of the fact that a visitor plans to be present so that a seat may be reserved. In inviting the businessmen of California cities to these meetings the committee wishes to give them an opportunity to bring up matters in which their localities are interested and thus enlist the support of the committee and at the same time let them get a closer insight into some of the phases of its work than could be obtained by many of them without direct contact with its members.

The Woman's Club of this city have completed final arrangements whereby Prof. Adrien, City Superintendent of Schools, of Santa Barbara, will give a lecture entitled, "What shall we do for the child?" in the High School on April 10th. County Superintendent of Schools, DeWitt Montgomery, will also be present and give an address. It is hoped that all parents and others interested will attend as this is a vital question and one it is impossible to fathom without deep thought and light on the subject from those who have had experience in this line. There will be no admittance fee charged.

### Base Ball Game

A game of base ball was played last Monday afternoon at the Convent School grounds between a picked nine and the Grammar School Team. The former team was victorious by a score of 14 to 8. Jack Poulson, of the "Pawls," did some biffy playing at second base, being credited with two safe hits, a spectacular put out and a run. Pitcher Castagnolo, of the Grammar School Team, was not in his usual good form and was batted all over the field. The latrines were: Picked Nine—Ness, Lugen, and Carpenter; Grammar School—Castagnolo and Valquardsen.

### Allison-Griffith Nuptials

The many friends of Charlie B. Allison and Miss Grace Griffith will be pleasantly surprised to learn of their marriage on Tuesday, March 29, at high noon, Rev. Brown, performing the ceremony.

The bride is a daughter of Mr. and Mrs. N. A. Griffith, of Santa Rosa, and is an artist of promise. Recently she has been doing art work for C. M. Bruner in Santa Rosa.

Mr. Allison is the son of Mr. and Mrs. J. M. Allison, who owns a large vineyard just this side of Glen Ellen, and is a young man well known and bearing an excellent character.

After a short bridal trip the happy couple will reside in Santa Rosa at 818 Orchard Street, and will be at home to their friends after April 10th.

Mr. Allison is engaged in the butcher business there, having recently bought out another man.

The many friends of the happy pair and the EXPOSITOR extend congratulations.

### Natives Have Time

Sonoma Parlor, No. 111, N. S. G. W. held a very interesting session last Monday evening in T. O. O. F. Hall. Five new members were initiated into the mysteries of the order, in a very able and impressive manner. The work of the new degree proved splendidly satisfactory. T. B. McIlmeyer, of Berkeley, was an honored guest of the occasion and made a report to the parlor in the proposition of raising a monument to that Bear Flag Party. Over \$500 are now in the fund. A banquet was enjoyed after the meeting.

### A Surprise Party

Last Friday evening a jolly party of High School pupils, surprised Miss Phyllis Poppe, at her home on Napa Street. It was a complete surprise. The evening was spent in singing, barn dancing, and Virginia reels. Hide-and-go-seek was also indulged in. One young lady while dragging her partner to base fell, and plowed a furrow in the ground with her chin. She has recovered. Another young lady while barn dancing fell through the floor. She has not yet recovered. About midnight all sat down to a dainty lunch. The table was decorated with white roses and leaves. Soon after the young people left, reporting Miss Poppe an ideal hostess.

Those present were: Helen Fussell, Edna Cooper, Marjorie Buchan, Myrtle Minkie, Gertrude Calderwood, Bernice Hoeker, Edgar Clements, Harry Lutgen, Ray Cooper, Donald Campbell and Fredrick Duhring.

### Derailed Freight Train

The Northbound freight train due to arrive in Petaluma about 6 o'clock yesterday morning had several cars derailed at Hine's curve, near Haystacks, which interrupted traffic on the Northwestern Pacific all the morning. Two of the cars were demolished, while the others were replaced without much damage.

The morning trains from here at 6:30 and 8:05 were held at Petaluma until 11 o'clock and then the first crew turned at Ignacio arriving here about on time at 1:25. The morning train from San Francisco was held at Ignacio and arrived here at 1 o'clock. It went north as far as Cloverdale and returned, being met by the passengers and mail from the north there, and arrived here southbound about on time.—Press Democrat, April 7.

### A Serious Accident

While driving past Vincburg last Monday morning the team of Chas. Potter, driven by James Williams, became frightened at the 10 o'clock passenger train and started to run away, throwing Mr. Williams under the wagon and cutting him severely about the head. He was picked up immediately and brought on the same train to Sonoma and his wounds were dressed by Dr. Thompson in his office on First Street West.

It was found necessary to take twenty-six stitches in his scalp. Later he was taken to Green's Sanatorium and is there now. Unless further complications arise he will get along nicely although it will be some time before he will be up and around again. No damage was done to either horses or wagon as spectators caught the team before they could get away.

### IN MEMORIAM.

Leland Francis Rubke.

Speak softly, stop slowly.  
His spirit's fled now;  
Smooth the locks tenderly  
On his pale brow.  
Clasp his hands gently across his still breast,  
Angels have called him.  
Our Leland to rest.

Death, silent Death, O couldst thou not spare  
Our dear Leland so young and so fair?  
Death, silent Death, answer us  
Why couldst thou not spare  
Our Leland with his  
Mild hazel eyes.

No answer, no answer!  
With one look never o'ersaw?  
He now dwells with his Maker  
In glory and in peace.  
Vincburg, April 6th, 1909.

To our many friends and acquaintances we extend our heartfelt thanks for the kindness, sympathy and floral offerings extended to us in our recent bereavement, the loss of our dear beloved son and brother, Leland Francis.

The organ recital conducted by Mrs. Duhring Thursday P. M. was a delightful hour of sacred harmony, and creditable alike to the organist and the singers who assisted her. A good audience was in attendance, and expressions of approval were many.

### High School Report.

Last Tuesday Mrs. Sterns honored us with a visit.

The "Golden Bear," cover has been chosen. A better one could not be found.

A challenge was sent to Napa for a game of basket ball by Manager Helen Fussell. Napa is not ready to play our girls yet.

On April 9th, the High School closes for two weeks, which serves as a vacation for the pupils, while the teachers are at institute.

The second act of the High School play has been rehearsed. It will certainly be a success. Everyone takes a great deal of interest in the play.

There are five more weeks of school. Every day we expect the "University Man," who, in the role of examiner, visits us annually. All the freshmen are shaking in their little boots.

Mr. Russell last Wednesday's talk, which was mainly on "The latest attempt to reach the South Pole." Several questions arose, which remain to be answered. One asked by Mr. Platt was this: "Is Broadway laid out north and south according to the true direction or north and south by compass?" It has not yet been answered.

Last Tuesday the members of the editorial staff of the "Golden Bear," the two basket ball teams and the faculty went through the agony of having their pictures taken for the High School paper. Mr. Chas. Payne was the man behind the gun (?)—No—the camera. As the plates were probably destroyed in the recent fire at the Payne residence, the pictures will have to be re-taken.

OLIVER

JUST LOOK  
at the Oliver  
Line before you  
buy—that's all.

The No. 7-V-F steel beam plow is one of the most popular orchard and vineyard plows on the coast. Has many special adjustments which provide for plowing close up to the trees and vines without damaging them.

We haven't any objection though to your looking around all you choose—the OLIVER sells better by comparison than it does in any other way.

It is a plow that competition does not hurt, for when you line it up with the others it sells on its plain superiority. This season there are new designs, new features and a brand new plow for orchard and vineyard work that is a wonder.

All we ask of any man who wants a plow of any kind is that he come and see us before he buys. That isn't much—better do it now.
